'The Ausbil Australian Emerging Leaders Fund<sup>1</sup> is a concentrated portfolio of mid and small cap Australian shares, which possess potential for superior growth.'

### Investment aim

The Fund aims to out-perform the benchmark over the medium to long term. The Strategy invests in a Portfolio of listed Australian equities that are primarily chosen from the S&P/ASX 300 Index, but generally exclude securities from the S&P/ASX 50 Leaders Index.

### Key features of the strategy

- invest in 30-40 quality mid to small cap Australian shares
- process favours companies with positive earnings and earnings revisions
- aims to provide investors with long-term capital growth

### Key benefits of the strategy

- exposure to quality industrial and resource shares
- managed by Ausbil's skilled and multi-award-winning investment team
- access to mid to small cap securities that may not be researched by major broking houses

### Investment style

We classify ourselves as 'core'; wherein at certain stages of the cycle the portfolio may have a value or growth tilt as markets provide opportunities for particular types of stocks to enjoy earnings growth. Ausbil employs a four-stage process to provide the framework for portfolio construction consistent with its investment philosophy. The process is summarised in the diagram below:
