'Ausbil's Australian Concentrated Equity Fund<sup>1</sup> is a concentrated portfolio of Australian shares, managed by Ausbil's highly skilled equities team'

### Investment aim

The Fund aims to achieve returns (before fees and taxes) in excess of the benchmark over the medium to long term, with moderate tax effective income. The strategy invests in a portfolio of listed Australian equities that are generally chosen from the S&P/ASX 300 Index.

### Key features of the strategy

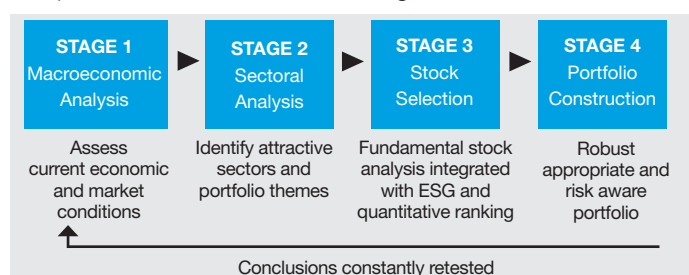

- Provides access to a concentrated portfolio of large capitalised companies.
- Invests in 20-30 listed companies, primarily chosen from the S&P/ASX 300 Index
- Process favours companies with positive earnings and earnings revision profiles
- Aims to provide investors with long-term capital growth and income

### Key benefits

- Exposure to quality large capitalised companies that individual investors may not be able to invest directly in on their own
- Portfolio managed by Ausbil's highly skilled and multi-award winning investment team

### Investment style

We classify ourselves as 'core'; wherein at certain stages of the cycle the Portfolio may have a value or growth tilt as markets provide opportunities for particular types of stocks to enjoy earnings growth. Ausbil employs a four stage process to provide the framework for portfolio construction consistent with its investment philosophy. The process is summarised in the diagram below:
