Ausbil expands wholesale distribution team with new appointment

Ausbil is pleased to announce the appointment of Michael Peros as a Business Development Manager to its distribution team to manage the wholesale market in Victoria and Tasmania.

Michael joins Ausbil from Insignia Financial where he was a Business Development Manager, and brings over 16 years of industry experience in financial services across a range of roles.

"We are very excited to welcome Michael to the Ausbil distribution team," said Hik Chadirchi, Head of Wholesale Distribution. "Michael brings a broad range of skills having previously owned and run an advice business prior to commencing his career in the funds management industry," Chadirchi added.

Prior to Insignia, Michael worked as a Senior Financial Adviser managing a financial planning practice which equipped him with a deep understanding of the financial planning landscape, the needs of clients, and the ability to engage with various stakeholders across the industry.

In his new role at Ausbil, Michael will be responsible for servicing our current valued clients, and accelerating new business growth in Victoria and Tasmania. Michael will work alongside Marko Matosevic who joined Ausbil in 2022.

Together, Michael and Marko are responsible for managing Ausbil's relationships across Victoria and Tasmania. In addition, Marko also services the Western Australia market.

Ausbil Investment Management was established in 1997 and manages over \$16.6 billion in funds under management.

About Ausbil Investment Management

Ausbil is a leading Australian based investment manager. Established in April 1997, Ausbil's core business is the management of Australian and global equities for major superannuation funds, institutional investors, master trust and retail clients. Ausbil is owned by its employees and indirectly by New York Life Investment Management Holdings LLC, a wholly owned subsidiary of New York Life Insurance Company. As at 31 December 2023, Ausbil manage over \$16.6 billion in funds under management.
