

## Non-business days calendar 2023

Under each of Ausbil's fund's constitution and as per the relevant product disclosure statement (if relevant), a 'Business Day' means any day other than a Saturday, Sunday or public holiday on which the banks in Sydney are generally open for business and all times are Sydney time.

Valid transactions received before 2.30pm on any Business Day will be processed at the unit price next calculated for that Business Day.

Valid transactions received after 2.30pm on any Business Day or on a Non-Business Day will be issued at the unit price calculated for the next Business Day.

The table below sets out the public holiday and non-dealing day calendar for 2023. Where a Fund is stated, all classes of the Fund are included for the Non-Business Day.
