'The Fund provides exposure to an actively managed portfolio predominantly made up of listed global equities as selected by Candriam in accordance with its investment process'

Investment objective

To achieve returns (before fees and taxes) in excess of the benchmark over the medium to long term. There is no guarantee that this objective will be achieved.

Key features

- The Fund provides exposure to an actively managed portfolio predominantly made up of listed global equities as selected by Candriam in accordance with its investment process.
- Candriam's investment process combines company level research with top down sectoral analysis to select stocks demonstrating good Environmental, Social and Governance (ESG) characteristics according to Candriam's ESG framework.

Key benefits

- Exposure to listed global companies:** access to international listed companies that individual investors may not be able to invest in directly on their own.
- Diversification:** the potential to diversify an investment portfolio.
- Experienced team:** access to a highly experienced investment management team who specialise in global ESG portfolios.
- Disciplined risk management:** access to Candriam's disciplined risk management process that manages risk relative to anticipated investment returns.
- Expertise:** access to investment expertise and knowledge of Candriam's investment management and ESG professionals, who combine their in-depth fundamental analysis and, using the output of proprietary quantitative models, apply their strongest investment convictions with regard to portfolio construction.

Some of the key risks associated with the Fund may include market, security, liquidity, currency, international investment, credit, iNAV, and derivatives risk. Please refer to the Product Disclosure Statement and Additional Information Guide for risk details and further risks associated with the Fund.

Controversial Activity Exclusions

Candriam has been appointed by Ausbil Investment Management Limited (ABN 26 076 316 473 AFSL 229722) to manage the investments of the Candriam Sustainable Global Equity Fund (ARSN 111 733 898) (Fund). As part of the comprehensive in-house SRI analysis, Candriam's controversial activity screening process aims to assess a company's involvement in controversial activities in order to determine the eligibility for inclusion of a company in the Fund. This Policy covers Candriam's approach towards the armaments industry, adult content media, alcohol, gambling, genetic modifications, nuclear power, animal testing, activities exercised in oppressive regimes, tobacco, thermal coal, electricity generation and conventional & unconventional oil & gas extraction. Our [Controversial Activity Exclusion Policy document](#) sets out each controversial activity's exclusion threshold/approach, ie the level at which a company is excluded from the Fund's investible universe and therefore the Fund cannot invest in that company.
