Ausbil's Paul Xiradis recognised with lifetime achievement award

Ausbil Investment Management (**Ausbil**) is honoured to announce that Paul Xiradis, Executive Chairman, was presented with a lifetime achievement award at the SQM/Financial Newswire Fund Manager of the Year Awards on Thursday evening.

It is the second such award for Mr Xiradis, or "X" as much of the investment community knows him, after being inducted into the Funds Management Hall of Fame at the Australian Fund Manager Awards in October last year.

Mr Xiradis said today, "After managing money for over 40 years and 28 years at Ausbil, I am very pleased to accept this achievement award. I co-founded Ausbil with a relatively simple investment philosophy, that earnings and earnings revisions are the key drivers of share prices. I dedicate this prestigious recognition to our clients and the Ausbil team. Investment management is truly a team effort."

Mark Knight, Chief Executive Officer of Ausbil, added, "Paul lives and breathes financial markets. He recognises the importance of surrounding himself with talented people and, together, they have delivered outstanding long-term returns for our investors. As a firm, we are proud of Paul's success and congratulate him on joining the elite ranks of the SQM/Financial Newswire lifetime achievers."

Ausbil Investment Management was established in 1997 and has over \$21.5bn in funds under management as at 31 August 2025.
