Why you need to complete this section?

The Foreign Account Tax Compliance Act (FATCA) and Common Reporting Standard (CRS) are regulatory requirements that aim to deter tax evasion by US and other foreign taxpayers. The Australian and a number of other foreign Governments have an agreement which requires us to obtain certain information from investors, including taxation information. You may be liable to a penalty if you provide information that is false or misleading in a material particular. We may decide not to open an account without first receiving the required information. For more information, visit www.ato.gov.au.

If you are unsure of any of the answers, please contact a legal or accounting professional.

HELP

Tell me about tax residence

You can be a resident of more than one country for tax purposes. Whether you are tax resident of a particular country for tax purposes is often based on the amount of time you spend in a country and the location of your residence and/or place of work. If you pay tax or have a tax liability somewhere, you are probably a tax resident there. Dual citizenship often brings dual tax residency.

It depends on the country. For the US, tax residency can be as a result of citizenship or residency for tax purposes.

If you are unsure, ask someone who knows, usually your accountant.

HELP

You will be a passive NFE if you are not an active NFE.

Generally, you will be an active NFE if:

- your stock (or a related entity's stock) is regularly traded on established securities market less than 50% of your gross income for the previous reporting period was passive income and less than 50% of your assets during that period produce or were held to produce passive income.
- you are a Governmental entity, an international organisation, a central bank or an entity wholly owned by one of the above.
- you are exempt from income tax in your residential jurisdiction and were established and operated exclusively for religious, charitable, scientific, artistic, athletic or educational purposes and meet certain other specific criteria.
- you have not been a financial institution in the past five years and are in the process of liquidating your assets or reorganising with the intent to recommence operations other than as a financial institution.

If you are unsure whether you are an active or passive NFE, please get advice.

- I am passive, but no I do not have controlling persons who are resident of a country or jurisdiction other than Australia for tax purposes.
Please read the **HELP** box. If you are sure - go to **section 13** and **14**.

HELP

Controlling persons

Controlling persons are natural persons who exercise control over an entity.

For trusts, the settlor(s), the trustee(s), the protector(s) (if any), and the beneficiary(ies) or class(es) of beneficiaries, must always be treated as Controlling Persons of a trust, regardless of whether or not any of them exercises control over the trust for FATCA/CRS purposes.

For companies, controlling persons generally include any person who holds (directly or indirectly) more than 25% of the shares in the company and any person who has the power to influence decisions about the company's financial and operating policies, such as senior managing officials or directors.
